

THE REMOVAL OF YOUR TITLE DEED

To property owners of Queensland in my capacity as a Former Federal Queensland Senator I believe we share the same principles fighting for the rights of hardworking Australians in holding to account incumbent political parties.

I bring to your attention a very alarming matter effecting every Queensland residential, rural and commercial property owner.

Under the deceitful baton of Premier of Queensland, Anastasia Palaszczuk, and the Queensland Government on 1st October 2019 passed legislation to cancel all paper Certificates of Title issued in Queensland and replaced with a binary code on a private company computer. All title deeds in QLD are held on one of 3 private corporate databases, Property Exchange Australia Ltd.

In a further deceitful and more concerning precedent and without due Parliamentary process the Queensland Future Fund (Titles Registry) Act 2021 (Future Fund Act) became law.

This deceitful piece of legislation by the Queensland Government effectively allows for the pay down of Labor Party induced Queensland debt by diverting all monies collected from fees paid through the Land Titles Registry to a private company.

These fees would normally be collected as Consolidated revenue, however this Act allows for the collected fees to stay with the private company Queensland Titles Registry Pty Ltd (CAN 648 568 101)

I have given serious consideration about the direction that the current Queensland Government is taking this state and autocratically making the people subservient to their will through the exercise of malfeasant executive function.

I am scheduled to be in court again on 18th February 2022, prior to then I will be travelling throughout the state (COVID permitting) to speak with you in person taking the fight to Premier Palaszczuk on behalf of all concerned Queensland property owners.

It is important to register for email updates, as well as keeping you up to date this also gives me numerical numbers (no names used) to tell the judge on the 18th February how many Queensland's are supporting the judicial review of the Act.

How can you help, donate to the cost of the court action refer to website or Go Fund Me page, talk and share the below information details with other property owners and ask them to do the same.

Equally as important is for those who live in North Queensland please come to 5/A Sheridan Street Cairns 18th February. It is important to have an overwhelming public presence inside the courtroom and would like to fill the street outside the courthouse.
